

Deep Relief™

Essential Oil Roll-On

Product Summary

Deep Relief Essential Oil Roll-On is a proprietary blend of oils specially formulated to relieve muscle soreness and tension. Peppermint, wintergreen, copal, and Palo Santo essential oils, as well as others, play an integral part in this blend. Deep Relief is available in a portable roll-on applicator, making natural relief available anywhere.

Product Story

Tension headaches, tight muscles, and overall soreness are commonalities of most adults. Deep Relief Essential Oil Roll-On offers a convenient, natural remedy to these indications. What makes Deep Relief a great, natural solution for muscle soreness and tension relief? Several essential oils highly regarded for anti-inflammatory properties are found in this blend. Peppermint, wintergreen, and copal are just three of the key ingredients that contribute to efficacy of Deep Relief.

Key Ingredients

Peppermint essential oil, *Menthe piperita*, is one of the most highly regarded herbs for soothing stomach discomfort. It has also been found to relieve tension and discomfort of the neck and head.

Copal oil, *Copaifera L. genus*, is commonly used in anti-inflammatory recipes prescribed by Amazonian traditional medical practitioners. Featured in European and North American pharmacopeias, copal is recognized for reducing inflammation and muscle spasms.

Helichrysum essential oil, *Helichrysum italicum*, has been studied by European researchers for regenerating tissue and improving circulation. In short supply, helichrysum is one of Young Living's most prized oils. Helichrysum can be used for aromatherapy or diffused to aid in tension relief.

Palo Santo essential oil, *Bursera graveolens*, is known as a spiritual oil. Palo Santo, harvested at Gary Young's Ecuador farm, has traditionally been used to purify and cleanse the spirit from negative energies. Palo Santo adds purity to Deep Relief Essential Oil Roll-On.

Primary Benefits

- + Peppermint and wintergreen essential oils soothe sore joints and ligaments
- + Deep Relief Essential Oil Roll-On helps counter stressed nerves
- + Copal oil reduces inflammation and muscle spasms
- + Deep Relief Essential Oil Roll-On eases tight, sore muscles
- + The essential oil roll-on offers portability and convenience in a no-mess application

How To Use

Apply generously on location every fifteen minutes for up to four applications. For head tension, apply over temples and on forehead.

Deep Relief

Did You Know?

- + Essential oils have been shown to have anti-inflammatory effects, which can reduce the discomfort associated with any type of inflammation-triggered local discomfort.
- + Wintergreen essential oil is a powerful anti-inflammatory agent used in a great number of over-the-counter topical pain-relievers.

What Makes This Product Unique?

Deep Relief Essential Oil Roll-On offers the benefits of therapeutic-grade essential oils in a new application. The roll-on applicator provides a convenient, no-mess application for your favorite essential oils.

Caution

Keep out of reach of children. If pregnant, nursing, taking medication, or have a medical condition, consult a health care practitioner prior to use. Keep away from eyes and mucus membranes; avoid using on or near sensitive skin.

Frequently Asked Questions

Q How often should Deep Relief Essential Oil Roll-On be applied?

A *Apply on location every fifteen minutes, up to four applications.*

Q Should Deep Relief Essential Oil Roll-On be ingested?

A *Some of the individual oils in Deep Relief are generally recognized as safe for internal consumption. However, this blend should not be ingested. Deep Relief is for topical and aromatic use only.*

Q Is Deep Relief safe for children?

A *Deep Relief should not be used for children under the age of eighteen months. For children over the age of eighteen months, consult with your child's physician. Individual skin sensitivities vary and should be monitored closely.*
